BULLET PROOF JACKET

MODEL : BULLET PROOF JACKET

Our Police and law enforcement bullet proof vests are made of Kevlar along with trauma plate made of ceramic, dyneema and steel. Various sizes are available for the threat level II, IIA and IIIA, etc. The undercover bullet proof jacket/vest is elegant for everyday use and is available in various attractive designs, able to be worn daily by police, shore patrols, people in life threatening situation (politicians, business leaders, money couriers, civil police force, body guard, etc.). The style of the jacket/vest is non-military which offers high level of protection and yet is stylish.

An option for a trauma plate is available. The trauma plate is a maximum of 43mm and protects the wearer from gunshot. Wearing the bulletproof jacket/vest alone can result in injury from indentation; but the trauma plate is able to fit on the vest to insert the plate.
